

basalaw

Empowering Ontario's workforce to better understand their
employment contract using **AI**

THE PROBLEM

Enforceability Gaps

Ontario employees often sign contracts containing non-compliant clauses that won't hold up in court.

Cost Barriers

Legal reviews typically cost \$100+ CAD per hour, making them inaccessible for the average worker.

Time Constraints

Manual legal reviews are time-prohibitive for both the lawyer and the client.

KEY FEATURES

Compliance Reviews

Legal summaries,
enforceability status, and
automated email drafts.

Standards Chatbot

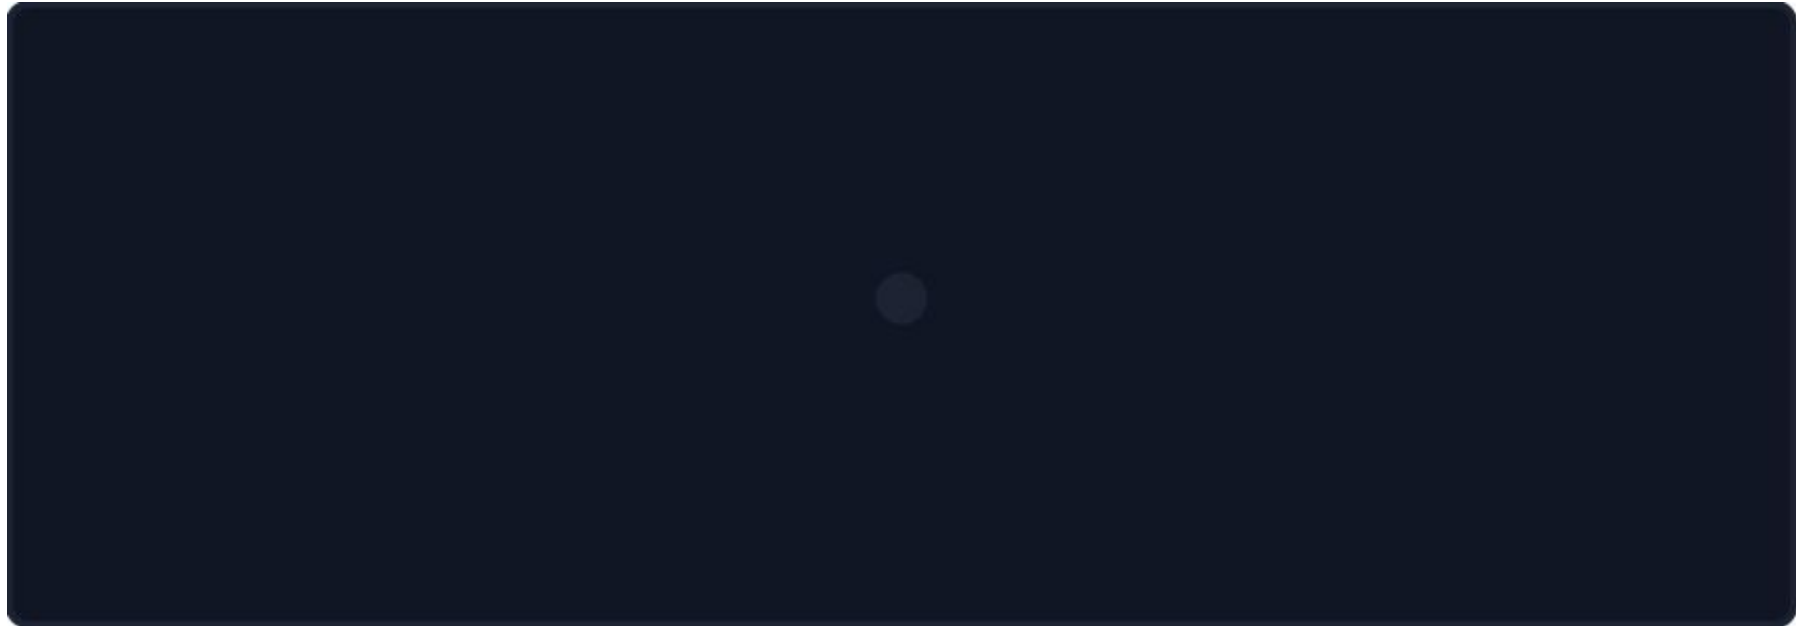

Instant Q&A for complex
Employment Standards
questions.

Lawyer Directory

Curated references to
Ontario employment &
labour experts.
